

IT'S HURRICANE SEASON

haa houstonartsalliance

**INVITES ARTS, CULTURE,
AND HISTORICAL
ORGANIZATIONS TO A
FREE WORKSHOP TO
ENSURE WE ARE READY
AND RESILIENT ONE YEAR
AFTER HARVEY**

Localized emergencies, regional disasters, and catastrophic events can have a devastating impact on arts and cultural organizations, where even a brief loss of business can threaten sustainability.

During the free workshop led by national experts, you will learn about the disaster planning process and contents of a disaster plan, hear about business continuity issues, and receive information about resources to help with planning for the next disaster.
