MADE POSSIBLE WITH SUPPORT FROM THE STATE OF TEXAS AND THE NATIONAL ENDOWMENT FOR THE HUMANITIES

Humanities Texas is the state affiliate of the National Endowment for the Humanities. Our mission is to advance education through programs that improve the quality of classroom teaching, support libraries and museums, and create opportunities for lifelong learning for all Texans.

THE CENTER FOR THE STUDY OF THE SOUTHWEST AT TEXAS STATE UNIVERSITY

The Center for the Study of the Southwest at Texas State University strives to enrich learning about the Greater Southwest through curriculum development, public outreach, and research. The program engages faculty and students in the richness and diversity of the Southwestern United States and Northern Mexico and gives focus to intercultural studies through examining the region’s people, institutions, history, and physical and cultural ecology.

The Wittliff Collections

Founded in 1986, the Wittliff Collections are devoted to collecting and preserving the creative legacy of the Southwest and to fostering “the spirit of place” in the wider world through the acquisition of significant archives and works of the Southwest’s literature, film, and music, as well as the photography of the Southwest and Mexico.
