The Pulitzer Prizes

This program is part of the Pulitzer Prize Centennial Campfires Initiative, a joint venture of the Pulitzer Prizes Board and the Federation of State Humanities Councils in celebration of the 2016 centennial of the Prizes. The initiative seeks to illuminate the impact of journalism and the humanities on American life today, to imagine their future, and to inspire new generations to consider the values represented by the body of Pulitzer Prize-winning work. For their generous support for the Campfires Initiative, we thank the Andrew W. Mellon Foundation, the Ford Foundation, Carnegie Corporation of New York, the John S. and James L. Knight Foundation, the Pulitzer Prizes Board, and Columbia University.
